## **Figure:**

Allemande the corners all, swing now with your taw

One and three promenade halfway tonight

Do-sa-do in the middle you know, back to back you go, star through and then

Pass on through, left allemande, you're gone again (bow to your girl)

Do-sa-do your partner, now pass her right on by

Right and left grand around the ring you fly

\*Do-sa-do new girl and then, promenade again

Too soon now, you must part, swing that girl, she don't have a fickle heart.

## **Break:**

Walk all around your left hand lady, see saw 'round your Sue,

Gents star left in the middle of the ring, and star promenade your girl you do

Shoot that star a full turn then star promenade again

Arm around your date, back on out, make a ring and circle eight

Allemande left on the corner lady, do-sa-do your own

Allemande left, go one more time, and promenade her home

Treat her nice, treat her good, treat her like you know you should

Say we'll never part, swing that girl, she don't have a fickle heart

\*For last time through on figure:

Do-sa-do your own sweetheart, take her home with you, she'll never make you blue,

Swing that girl, she don't have a fickle heart

## **Tag:**

Swing that girl, she don't have a fickle heart

Sequence: Figure twice for heads, break, figure twice for sides, tag.
