

## FOUR GENTS STAR

(Also known as Sutter's Mill – and – Star by the Right)

Called by Marvin Shilling from Trinidad, Colorado  
Western Jubilee 575B

### Opener

All join hands and circle out wide – ‘round and ‘round on the ole cow hide  
All the way ‘round ‘til you get back home – stop right there and swing your own  
Swing your lady and don't you roam – allemande left with your left hand  
And promenade eight to beat the band – promenade now two by two  
Right back home like you always do

### Figure 1

All four men star by the right – in the center of the set  
The opposite left you're not through yet – star right back in the middle of town  
Turn your honey with a left hand ‘round – star by the right and pass just two  
Right hand lady with a left hand so – star by the right and don't you know  
Now pass one lady – it's corner lady with a left hand ‘round  
Star by the right as you come down – meet your honey with a left hand ‘round  
Do-si-do (do-pa-so) all around the town – corner right and your partner left  
And you pick up you corner, corner maid – you're gonna take that corner and promenade  
Promenade now two by two – right back home like you always do

**Figure 2.** Repeat Figure 1

### Break

Walk all around that left hand lady – right back home and swing your baby  
Allemande left and allemande G – go right and left and turn back three  
With a right and left and a right once more  
Turn back one into the middle like an allemande thar – back right in to a back up star  
Swing right around to the right hand girl – promenade the lady all around the world  
You promenade now two by two – right back home like you always do

**Figure 3.** Repeat Figure 1 with ladies active

**Figure 4.** Repeat Figure 3

**Ending (From a do-pa-so)**

Turn all the way around – go once and a half all the way around

To the right hand lady with a right hand ‘round

Back to your honey like an allemande thar – into the middle with a right hand star

Back right up but not too far – break in the middle with a full turn around

Corner right but pull her by – then allemande left with your left hand

Weave the ring like a right and left grand – weave ‘em in gonna weave ‘em out

Meet your honey on the other side – and sashay partners one and all

Allemande left with the corner of the hall – then weave the ring now don’t you fall

Weave ‘em in and weave ‘em out – meet your honey on the other side

Swing your honey high and wide – and promenade two by two

Promenade eight and promenade all – take your lady right off the floor

That’s all there is, there ain’t no more
