All around the left hand lady – right back home and swing your baby
Swing your honey high and low – now allemande left with your left hand
Right to your honey and right and left grand – corn in the crib, wheat in the stack
Meet your honey and turn right back – go the other way the same old track
Up the river and around the bend – gonna meet your honey gonna pull her by
Give a left to the next – allemande left a right and left grand
Every other girl with every other hand – meet your honey on t’other side
Gonna promenade go high and wide – promenade two by two
Right back home like you always do

Allemande left and the ladies star – the men run around the outside bar
Then allemande left and the men all star – girls run around but not too far
Allemande left your corner – allemande right your own
Ladies star left, the men promenade the wrong way around
Meet your honey with a right hand around – allemande left when you come down
And weave the ring go ‘round and ‘round – weave them in and weave them out
Gonna meet your honey – sashay partner one and all

Allemande left and allemande U – right to your honey and left to the next
Turn back two – with a right to your honey a left to the next

To the opposite man for a do-si-do (do-pa-so) – corner lady with a right hand so
Back to your honey with a once and a half – all the way ‘round to the right hand lady
With a wagon wheel give her a spin and pass her by – left to the next girl do-si-do (do-pa-so)
Back to the corner with a right hand so– back to your honey with a left hand ‘round
Once and a half to the right hand lady with a wagon wheel – give a whirl and watch her spin
Left to the next for a do-si-do (do-pa-so) – back to the corner with a right hand ‘round
Back to your honey with a left hand whirl and you give her a wheel

Gents star left, leave the ladies there – go all the way around
